

Bebop Low Circular Table BEBOPT-D-C1100-LP2

Designed exclusively for Knightsbridge by David Fox, the Bebop family of products is an exploration of organically soft forms, a departure from hard edged minimalism. Inspired by historic Danish design, the shapes in Bebop are easy on the eye, embracing and comforting. The stylish design of Bebop allows it to perfectly complement workplace, corporate and hospitality environments in lounges, receptions, bars and breakout areas.

Suitable for use with dining chairs, compact upright chairs and Bebop Stools, the Bebop Low Circular Table is ideal for activity, dining and workspace areas and has been constructed with a heat resistant laminate top.

- Sturdy solid beech frame coated in anti-microbial wood lacquer
- Hardwearing 32mm MDF heat resistant laminate top
- Available in Bleached Beech, Natural Beech, Oak, Cherry, Walnut, Wenge, Black and Black Ash

Dimensions: 750mH x 1100mm Dia
