

Designed by Jason Lansdale exclusively for Knightsbridge, the Elan range has been crafted with comfort and practicality in mind.

Features and Benefits

- Constructed using non-retractable security screws with no visible staples
- Designed as a one piece sealed unit to eliminate secretion of contraband/ weapons
- Carpet fitted base as standard to prevent damage to vinyl flooring
- No metal tacking or crocodile strips used in construction
- Additional weighting available to prevent lifting
- Optional extreme feet fitted with stainless steel non-retractable bolts
- Available with two-tone upholstery
