

DISTINCTIVE BRITISH FURNITURE

Hydra Grab Resist Tables

Designed for the modern secure environment, the Hydra range combines a high-level aesthetic with maximum practicality

Features and Benefits

- Flush fitting top panel for a sleek look and reduce pick-up risk.
- Flush floor fitting design to reduce pick-up risk.
- Polished 18mm ply under-bottom fitted with security screws to aid housekeeping.
- Upholstered column which gives numerous colouring options to suit all schemes.
- Available with added weighting options.

Infection Control Features

- No gaps between the top, base and column eliminates concealment issues
- Stitching details are minimised throughout unit
- Hygiene+ biocidal lacquer on all exposed wooden areas
- Exposed screws are Pin-torx stainless security screws
- Anti-microbial and anti-fungal fabrics available as a standard offering.

Specification

- Inner frame is solid 18mm plywood which is CNC cut and castellated together for accuracy and strength. Glued and screwed together.
- Top Panels are 32mm thick MDF with High Pressure laminate faces for durability.
- Foams - high density CMHR.
- All products comply to BS5852 ignition source 5 (crib 5) with Knightsbridge standard range of vinyl and fabrics
