

The Dalton Drop Arm Armchair features a heavy duty vertical action drop arm mechanism to allow arms to drop to the level of the seat to ensure easy transfer from either side

Features and Benefits

- Drop arms at both sides of the chair for easy patient transfer
- Profiled waterfall seat reduces pressure to the back of legs
- Seat unit supplied with waterproof under bottom
- Maximum patient weight of 25 stone
- Hygiene gap prevents trapping of dirt between the seat and back
- Removable seat cushion
- Available in any of our standard wood finishes
