

KNIGHTSBRIDGE
DISTINCTIVE BRITISH FURNITURE

Available in four sizes. Each page of this document will detail one of these sizes. For the sake of this spec sheet they shall be labelled as follows:

[T2](#) | [T3](#) | [T4](#) | [T6](#)

The Titan One Piece Chair

The Titan One Piece Chair is the first choice for many schools due to it being extremely robust, easy to clean and maintain and easily fits into the cost criteria of many schools in the public education sector. The furniture is often the last purchase in any new school buildings or refurbishments and this ergonomic classroom chair designed especially for children and manufactured in solid high impact polypropylene makes it virtually indestructible as well as being bright and colour fitting into many different environments.

A child will sit on a chair for up to six hours a day over a period of 11 years or more and the S-shaped back design helps aid posture and maintain a healthy spine.

The Titan One Piece Chair is the first choice for many schools due to it being extremely robust, easy to clean and maintain and easily fits into the cost criteria of many schools in the public education sector.

Features and Benefits

- Lumbar support for comfort and 'fidgeting' reduction.
- Tested and fully compliant with BS EN1729 Parts 1 & 2
- No sharp edges or metal components mean they are completely child friendly.
- Unique anti-tilt leg system prevents users from swinging on the chair.
- Lightweight and portable with hand hole in the backrest for easing lifting.
- Stacks up to 12 high for space saving storage.
- Choose from 5 seat heights to suit all age groups
- Offered in a variety of different colours.
- 20 year manufacturer's guarantee.

Dimensions
